

A TALE OF TWO (SMART) CITIES

TORONTO AND LONDON

DING WANG AND VANESSA THOMAS
LANCASTER UNIVERSITY

IT WAS THE BEST OF TIMES (FOR TECH COMPANIES)

There's a food poverty crisis in the UK.
And the government is starved of ideas
Kathleen Kerridge

As the cost of living rises and wages stagnate, for many food is becoming harder to afford. We're returning to an era where a healthy diet is aspirational

'Doing the grocery shop has changed. Food is aspirational once more, and healthy, good quality food is for the elite.' Photograph: Martin Godwin for the Guardian

Accessing City Hall

What is Open Government?

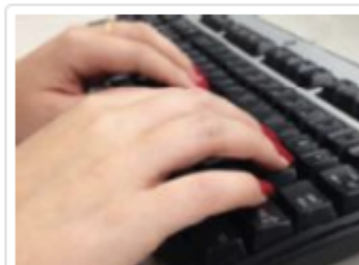

Open Government is about improving the delivery of services, making information more accessible and supporting initiatives that build public trust in government. It is guided by four principles of **transparency, participation, accountability and accessibility**.

Get Started

[Open Data](#)

Find City data to develop an application, software or website.

[Open Information](#)

Access the latest City information, records and reports.

[Open Engagement](#)

Engage in making decisions and developing City policy.
