Dear Ms Nadine Andrews,

Congratulations on winning an Emerald Literati Award in 2018! We'd like to thank you for your contribution to Sustainability Accounting, Management and Policy Journal with your article "Psychosocial factors influencing the experience of sustainability professionals" and helping to make a difference with your research. Please find your certificate enclosed.

To help you share your success and maximise the visibility of your award-winning research, it's been made freely available for 6 months. For information on how to share and track your work, as well as access to email signature banners, please go to the award winners webpage: <http://www.emeraldgroupublishing.com/authors/literati/awardwinners.htm>

We're committed to supporting the work of our author community which is why, in 2018, we've launched 'Real Impact'. We know it's not always easy for academics and researchers to see the impact of their work, so we have created 'Real Impact' to aid the cause and call on research communities to come together and break down barriers.

We invite you, an award winning author to join our conversations, have your say in our blogs, read our toolkits, and download our resources to help bring your research to life. Together we can make a difference. To find out more, go to: <http://www.emeraldpublishing.com>

Once again, thank you for your contribution and congratulations on winning this prestigious award.

Kind regards

The Emerald Team
